Excellency:

On this auspicious occasion of the Independence Day Anniversary of the Hellenic Republic of Greece, it gives me immense pleasure to extend to you, and through your Excellency, to the Government and people of the Hellenic Republic of Greece, sincere best wishes on behalf of the Government and people of Liberia and in my own name. It may be recalled that the enormous contributions to Liberia, and the cooperation between our two countries has its historic bearing in the significant partnership in the maritime industry where a large number of Greek owned vessels continue to fly the Liberian flag. It is in this spirit, that we are exploring new vistas of economic cooperation, especially in small and medium scale industries to further expand our partnership. Meanwhile, to pursuing a more cordial and meaningful bilateral relationship in diverse sectors of the cooperation between our two countries, Please accept, your Excellency, my wishes of good health and success in all your endeavor.
