

**Her Excellency
Madam Katerina Sakellaropoulou
President of the Hellenic Republic**

Your Excellency,

Please accept my sincere congratulations on the occasion of the National Day of the Hellenic Republic.

Uzbekistan considers Greece as an important partner in Europe and is interested in the further development of traditionally friendly bilateral relations.

I am convinced that by joint efforts we will give new dynamics to the expansion of mutually beneficial Uzbek-Hellenic cooperation in trade-economic, cultural-humanitarian and other spheres in the interests of our countries and peoples.

I wish you, Madam President, good health, prosperity and every success in your state activity, and to the friendly people of Greece - peace and prosperity.

Sincerely,

**Shavkat Mirziyoyev
President of the Republic of Uzbekistan**
